

GAU-19 BREECH BOLT TOOL

Easy-to-use fixture simplifies reassembly of the GAU-19 Breech Bolt Assembly. The Breech Bolt Tool eliminates safety hazards associated with reassembling the breech bolt without the proper tools.

Securely lock the bolt in place and compress the firing spring while keeping both hands free to insert the retaining pin.

Specifications

Weight

0.25 lbs

Dimensions

6"L x 3"W x 1.5"H
