

GAU-19B/M-134D TRANSPORTATION CASE

Fulcrum's GAU-19B/M134D Transportation Case provides a safe, secure, and portable solution for storing the General Dynamics GAU-19 or Dillon Aerospace M-134 Gatling guns. The injection molded, MIL-STD, waterproof case features custom-cut foam cavities that use multiple densities of layered foam to cradle and protect gun components and accessories.

Specifications
