

# GP-19 EXTENDED CAPACITY / POD

The GP-19 Extended Capacity Pod (ECP) is the expanded version of Fulcrum's self-contained .50 cal GAU-19 gun pod.

Designed for increased firepower, reliability, and ease-of-use, it holds 44% more rounds than Fulcrum's legacy GP-19 Gun Pod.

## EXTEND YOUR FIREPOWER

### TACTICALLY OPTIMIZED

- » Larger magazine supports 44% more ammunition
- » Last round override switch (optional)
- » Integrated bore-sight adjustment
- » Jettisonable
